Frequently Asked Questions

This document answers the most common questions customers ask TechMart Electronics support.

Q: What are your customer support hours?

Our support team is available Monday to Saturday, 9:00 AM to 8:00 PM IST. We are closed on Sundays and public holidays.

Q: How do I track my order?

Once your order ships, you will receive a tracking link via email and SMS. You can also log into your TechMart account and visit the 'My Orders' section to see live tracking status.

Q: Do you offer Cash on Delivery (COD)?

Yes, COD is available for orders under Rs. 20,000 in most serviceable pin codes. A small COD handling fee of Rs. 49 applies.

Q: Can I change my delivery address after placing an order?

You can change the delivery address within 2 hours of placing the order, as long as it has not been shipped. After that, please contact support for assistance.

Q: How do I create a support ticket?

Log into your account, go to 'Help Center', and click 'Raise a Ticket'. Alternatively, email support@techmart.example or call our helpline.

Q: Is my payment information secure?

Yes. All payments are processed through PCI-DSS compliant payment gateways. TechMart does not store your card details on its servers.
