

TechMart Electronics

Shipping Policy

Details on delivery timelines, costs, and shipping regions for TechMart Electronics orders.

Delivery Timelines

- Metro cities: 2-4 business days.
- Non-metro cities: 4-7 business days.
- Remote/rural areas: 7-10 business days.

Shipping Charges

Orders above Rs. 999 qualify for free standard shipping. Orders below this amount incur a flat shipping fee of Rs. 79. Express delivery (1-2 days, metro only) is available for an additional Rs. 199.

Order Tracking

A tracking ID is generated once your order is dispatched from our warehouse. You can track your shipment anytime from the 'My Orders' page or the courier partner's website.

International Shipping

Currently, TechMart Electronics ships only within India. International shipping is not supported at this time.
