

TechMart Electronics

Warranty Policy

This document outlines the warranty coverage provided on products purchased from TechMart Electronics.

Standard Warranty

Most electronics sold on TechMart come with a manufacturer warranty ranging from 6 months to 2 years, depending on the product category. The exact warranty period is listed on each product page.

What is Covered

- Manufacturing defects
- Hardware malfunctions under normal use
- Battery issues within the first 6 months (for battery-powered devices)

What is Not Covered

- Physical damage, water damage, or damage due to misuse
- Issues caused by unauthorized repairs or third-party accessories
- Normal wear and tear

How to Claim Warranty

Contact TechMart support with your order ID and a description of the issue. Depending on the brand, you may be directed to an authorized service center or offered a pickup-based repair/replacement.
